

LEARN BOWEN THERAPY

Certificate IV in Bowen Therapy

starting **Saturday 22 August, 2020** in **Weston, ACT**

***Are you interested in a career as a natural therapist,
or would you like to add this gentle, hands-on soft-tissue therapy
to your existing repertoire of bodywork skills?***

Sydney-based Bowen Therapist and trainer Michael Alcott is delivering the nationally-recognised Certificate IV in Bowen Therapy (10846NAT) in Canberra through Bowen Training Australia (RTO#41134).

The practical (face-to-face) component of the training consists of 7 hands-on weekend modules delivered from August 2020 to mid-2021 in Weston, ACT.

Become a Bowen therapist with Bowen Training Australia

To complete the full qualification to register and gain insurance to practice as a Bowen Therapist, you will need to also complete theory subjects through distance learning, and complete log books, case studies and your First Aid training. All modules are “pay-as-you-go” so there is no big upfront expense.

This course is recognised by the Australian Qualifications Framework (AQF) and Bowen Association of Australia.
